

# Cheltenham Branch – June 2015

---

## Thanks and Congratulations...

To Warden Hill for welcoming Striking Competition ringers to their practice on Wednesday 20 May.

To Childswickham for hosting a Basic Doubles practice on Saturday 16 May.

## Coming up...

### Wednesday 3 June

#### **6.45pm: Ringing talk at Cheltenham Minster**

Tickets may still be available at the Cheltenham Festivals website (<https://tickets.cheltenhamfestivals.com/booking/production/bestavailable/119239>)

No practice at Warden Hill (most of the band are going to the talk)

### Saturday 6 June

#### **2.45pm: Branch Outing**

#### **6.15pm: Meal at [The Snowhill Arms](#)**

We thought rather than a full-day outing this year a couple of shorter ones might be easier for people to cope with. This is the first: the second will follow in September.

Details of the outing are:

Hinton on the Green (8) 2:45 – 3:45pm  
SP025400 WR11 2QR

Broadway (6) 4:15 – 5:00pm  
SP097362 WR12 7JS

## Tower News

Bishop's Cleeve will be silent for most of June due to the ancient stairs being dismantled and rebuilt. Wednesday Practice will probably move to Woolstone, and there will be no Sunday ringing.

Up to date arrangements will be notified by email and posted on Facebook.
