---

At most Branch Practices we ring anything from Rounds to Surprise, depending on who is present.

Please contact the Ringing Master if you would like to ring anything in particular at a practice.

Learners are always welcome: if you can ring rounds in your own tower, you are welcome to visit another for a regular practice or a branch event.

Practices may be affected by last minute changes at the churches – e.g. weddings, funeral and concerts. We try to post the latest information by email and on the branch website.
