Welcome to the Cheltenham Branch
Programme for 2017

Branch events are open to all
members of the branch, regardless of
their ringing experience. Whilst some
branch practices may have a specific
focus, we will always make sure there
are ringing opportunities for anyone
who attends.

If there is something you would
particularly like to ring, either at a
branch practice or for a quarter peal,
please contact one of the Ringing
Masters.

If you or your tower would like support
with ringing a particular method or for a
special event, please contact one of
the Ringing Masters.

Please keep an eye out for further
details of branch practices and events
in the Newsletter, the Facebook
Group, Bellboard Events page and the
Branch Website.
